

JOHNSON MACHINERY CO.

INTERNAL JOB POSTING

08/17/2007

Jump-start a great career working with CAT equipment! The **Caterpillar Dealer Service Technician program** is a four year state and federally approved apprenticeship program based on Caterpillar equipment training through the Heavy Equipment and Diesel Technology Department at San Joaquin Delta College (SJDC). Here you will learn about engine fundamentals, machine hydraulics, fuel systems, electrical systems, power trains and more!

Responsibilities

- Obtain and maintain Johnson Machinery Co. as a sponsor throughout the program
- Provide Johnson Machinery Co. with responsible and productive work effort
- Participate in all learning activities at scheduled times
- Maintain academic standards and adhere to academic policies (minimum 2.0 GPA)
- Maintain dealership attendance standards
- Responsible for maintaining OJT records & internship skills objectives

Requirements/Skills

- 18 years of age or older by the time of the first internship period
- A high school graduate or possess any one of the following:
 - General Education Development (G.E.D) certification
 - California High School Proficiency (C.H.S.P.) certificate
 - Associate or higher degree
- Submit an official transcript from a high school or any applicable college/university (or G.E.D. or C.H.S.P) with the application to the program
- Able to meet SJDC and Caterpillar dealership admission and academic requirements
- Possess a valid driver's license and maintain an employable driving record
- Sincere about becoming the best service technician he/she can be
